This is such a fun Bible craft for kids to make. They love that the craft "does something" and helps them to understand what ascends means.

This craft is perfect for at home or Sunday School for Toddler and Preschool with help and Kindergarten-4th grade kids to do mostly on their own.

### Jesus Ascends Bible Craft

Here is what you need:

- 1 large (preferably blue) cup per person
- about 12" of yarn per person
- Cotton balls (*optional*)
- Printable from below (with a Jesus & cloud memory verse per child)
- scissors, tape, and glue

**START NOW**

1. Click "Start Now"
2. Click "Add"
3. Open a New Tab Page

*My Templates*

Carefully poke a hole in the top of the cup. For younger children, please do this for them.

Insert about 12" of yarn through the hole. Tape the Jesus figure on the bottom of the yarn going in the cup.

Cut out the cloud verse Matthew 21:9 and tape to the end of the string coming out the top of the cup.

Pull apart pieces of the cotton balls and glue around the cup to make it look like the sky. Now the child can pull on the cloud verse and watch Jesus ascend into the sky up to heaven.

It is a simple craft that is not only doable for Preschool – 3rd graders, but it appeals to them as well.
